CLASS INFORMATION

FREESTYLE CLASSES – “Freestyle” classes (except Trail and In-hand Trail) will use the same cones as the previous pattern, or alternatively will have cones set at clock points 3:00, 6:00, 9:00 and 12:00. Pattern must start on the side of the entry gate. Exhibitors do not have to incorporate the markers into their pattern. Exhibitor may not add additional markers or props to the area. Points awarded for **precision, difficulty, show presentation and overall impression** – so get creative. Penalty for pattern exceeding time limit. HELPFUL HINT: If intimidated at the prospect of creating your own pattern, start with any pattern posted at the show or a previous show (you probably have some patterns in your trailer) – then simply take out the things you don’t like (or can’t do well), and add in what you wish it had included because you like to do it, or do it well. You are NOT required to provide your pattern (so if you mess up, just smile and keep going – no one will know).

Freestyle Showmanship – May be shown English or Western. Mandatory movements 1) walk; 2) jog or trot (or 2nd Gait); 3) one turn of at least 180 degree (right, left, front, back -your choice); 4) halt; and 5) back. The judge will be on the left side of the arena. Pattern MUST END squared before the judge, and ready for inspection (this is where the timed portion ends as well). Inspection will be at judge’s discretion. Each Exhibitor will be given 60 seconds to impress the judge with their skills.

Freestyle English Pattern and Freestyle Western Pattern – Mandatory movements include 1) walk; 2) jog/trot (or 2nd Gait); 3) canter/lope (except Walk/Trot and 2-gait exhibitors); 4) a turn of at least 90 degrees (right, left, front, back -your choice); 5) stop/halt and 6) back. Each Exhibitor will be given 90 seconds to impress the judge with their skills.

Freestyle In-Hand Trail – Mandatory movements include walk, jog (or 2nd Gait), bridge and gate. Obstacles may be worked in any order, obstacles may be worked more than once, points to be awarded for difficulty of obstacle in addition to performance of obstacle. Each Exhibitor will be given 120 seconds to impress the judge with their skills.

Freestyle (Mounted) Trail – May be ridden English or Western. Mandatory movements include walk, jog (or 2nd Gait), lope (except for Walk/Trot and 2-gait exhibitors), bridge, and must go over at least 1 pole. Obstacles may be worked in any order, obstacles may be worked more than once, points to be awarded for difficulty of obstacle in addition to performance of obstacle. Each Exhibitor will be given 90 seconds to impress the judge with their skills.

Freestyle Reinsmanship Driving – Mandatory movements include walk, collected trot, working trot, halt, and rein back. Each Exhibitor will be given 90 second to impress the judge with their skills.

PLEASE NOTE THAT WE ANTICIPATE RUNNING MANY CLASSES CONCURRENTLY (BUT JUDGING SEPARATELY) WHERE FEASIBLE. WE ANTICIPATE LOADING OR PRE-LOADING MULTIPLE AGE GROUPS FOR SHOWMANSHIP, EQUITATION AND HORSEMANSHIP CLASSES. If there's a "gate hold" we may bump your class up, to allow the tack change to occur during a class, rather than standing around and waiting.

SO PLEASE BE READY, as your class may "load" 2 or 3 classes sooner than the show bill would indicate. We'd hate for you to miss your class, so please keep us apprised of any "gate holds" or other help you may need to keep the show rolling. **If you don't request a gate hold, we will NOT hold the class, even if you're "on your way" or "almost ready". Please be considerate of others and BE READY, OR REQUEST A GATE HOLD PRIOR TO YOUR CLASS BEING CALLED to enter the arena.**
