## A Note From Our President;

Hello everyone! I am hoping the New Year has been great for you all so far! I would like to start off by thanking everyone for their support in my candidacy for ISHSA President. It means a lot to me that our club members believe I have what it takes to help continue steering our club in a successful direction. Your executive committee and myself have so many new and exciting things in store for you this year. We would like to continue to keep up with the evolving equestrian world while remembering why our club was founded in the first place; to encourage good sportsmanship and proper conduct among equestrians, to foster good fellowship among all persons interested in equines, and maintain an open all breeds equine show circuit where everyone feels welcome! I believe this new year will be our most fun and successful one yet! Please know that I am available if you ever have constructive criticism for the club or have a new idea you believe would benefit the club. The only way ISHSA stays successful and strong is by how involved our members are! I look forward to the coming year and can't wait to see everyone at the award banquet ! Have a Fantastic February!

Sincerely your President,

*Patricia Schuster*

ISHSA is excited to announce that our Spring Double Point show will be UBAF approved! The United Breeders Auction and Futurity is an organization that has been created by owners and breeders in the Arabian horse industry to create a place for showcasing the love, beauty, intelligence, and versatility of the Arabian horse. UBAF has put together a couple of programs to support their members who are showing their horses at all levels. These programs offer prize money to the horses with the most points in each program at the end of the show season. For 2019 UBAF would like to encourage more participation in their programs by allowing for shows to be recognized and double points awarded to those enrolled in our program. This program is very similar to APHA's PAC program. We will attach an informative brochure along with an enrollment form to the Spring Double Point show bill as soon as it approved. Formal enrollment in the programs must occur online, but a temporary enrollment form can be used if signed and dated by the show secretary. Please spread the word and help us to encourage participation in this wonderful program!
