Note from our president

THANK YOU to all our exhibitors that came and supported our Spring Double Point show. It was our biggest bring show that we've had to date! Huge classes and lots of entries. Huge thank you to show manager Wade Kirksey for planning and organizing everything, to all our workers - we COULD NOT do this without you! They put in long hours helping at the show. Thank you to everyone behind the scenes that helped plan the show, get everything organized and set up, collect sponsorships, plan awards, plan fun activities, etc. Thank you to all our wonderful awards sponsors and arena sponsors. We appreciate all your support of our club and your generosity. We are ecstatic to have been able to start the show season off with such a fantastic show. High points are posted on our website. If you were high point or reserve in a division and did not pick your award up at the show, please reach out to myself or Wade to arrange pick up. Points will be up in a few weeks after we get all the memberships and declarations entered into the system.

Most of the 2020 year end awards have arrived and we are in the process of getting them handed out. Please be patient with us as we do! Everything turned out very nicely. Congratulations to all our year end award winners.

June is fast approaching. Please don't forget all scholarship applications must be submitted by June 30th to the scholarship chairman. Must be current member to qualify. All qualifying details and instructions can be found on our website ishsa.info.

As the year progresses, please don't forget about rule proposals. They need to be turned in no later than August 1st to our rules committee chairman.

Website is updated with all our upcoming show so please make sure to look at that! Excited to see everyone at the next show!
