

IDAHO STATE HORSE SHOW ASSOCIATION NEWS LETTER

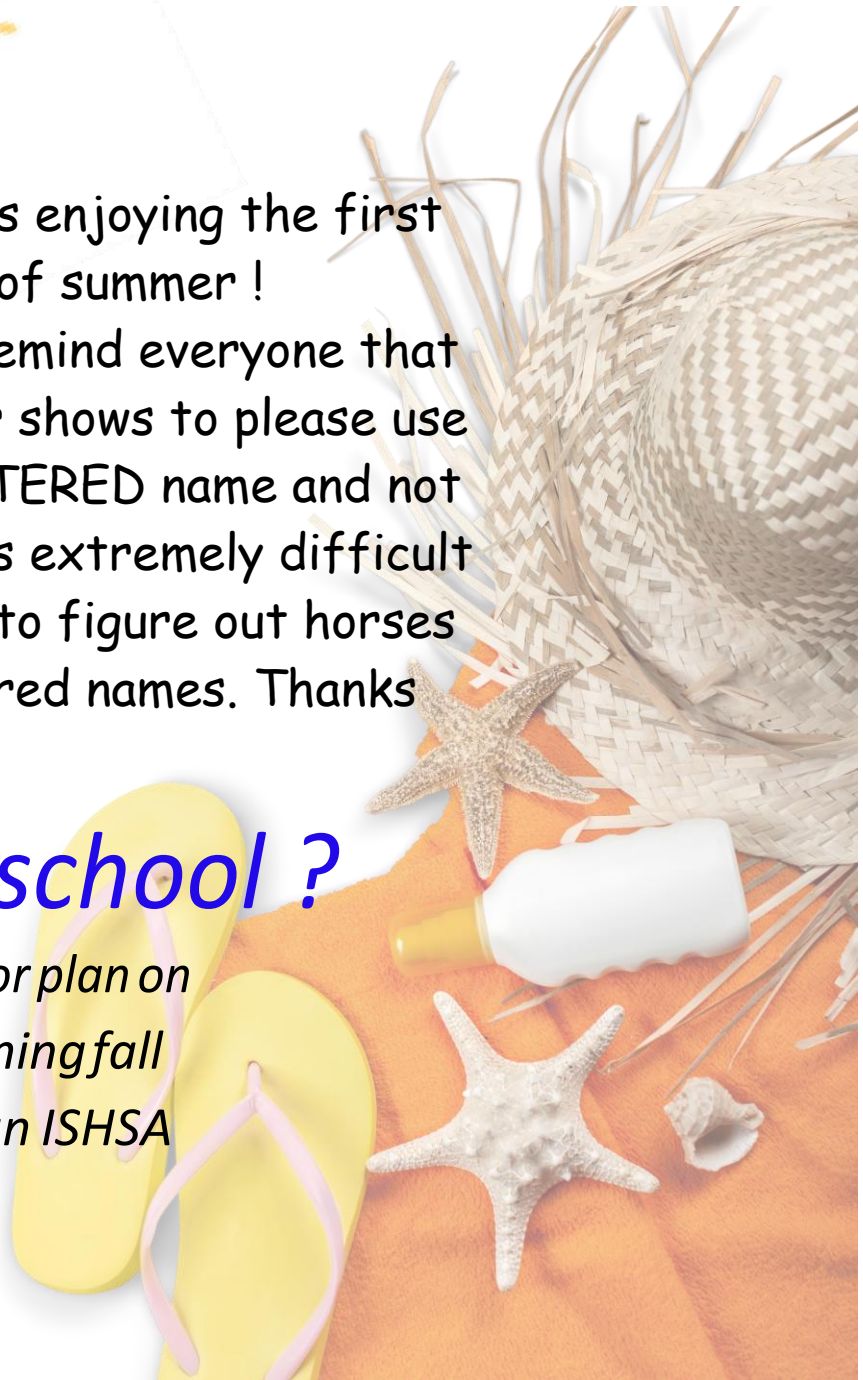

HELLO
Summer

I Hope everyone is enjoying the first little bit of summer !

We would like to remind everyone that when signing up for shows to please use your horse REGISTERED name and not the barn name. It is extremely difficult when doing points to figure out horses barn and registered names. Thanks

Are you going to school ?

if you are attending college or plan on attending college this coming fall don't forget to apply for an ISHSA scholarship !

A Note From Our President:

Hello everyone! I hope everyone has had a great start to their summer so far. Show season is well underway and we have had a few new show additions to our schedule. Please make sure you are checking the website frequently to stay up to date on everything that is happening. The next four ISHSA shows are part of the Poor Boy Enterprises Summer Sizzler Circuit. There will be high point awards at all shows and a circuit award for all four shows combined. Please check out the website for rules and more details. Please remember to use your horses registered name (if they have one) when you are entering for a show. If you are using your horses barn name or nick name, this confuses our points secretaries and your points might not get entered correctly. Registered names are very specific to the horse meaning no two horses have the same registered name in the same breed register but multiple horses can have the same barn name. Our points secretaries try their best to connect that dots but its really hard for them to know everyone's names, their horses registered name, and their barn name. It makes everything go much smoother using their registered names. The next ISHSA approved show is June 15th at Birt Arena. Hope to see you all there!

Sincerely your president,

Patricia Schuster
