A Note from Our President

Hope everyone is enjoying the last few weeks of spring. Its definitely starting to get warm outside. Show season is in full swing and there are a lot of upcoming shows. Please keep any eye on our website ishsa.info for an official list. We update this as show dates are available or if any changes are made. The list is color coordinated so you can identify what shows are ISHSA approved or not.

June 30th is the LAST day to get scholarship applications in. All information needed to apply for this is on our website. This scholarship is available to ANY ISHSA member in good standing with the club (i.e. dues paid, no suspensions, no outstanding balances from shows) that will be attending any type of higher education. This includes any two/four year colleges and vocational training (welder/lineman/etc.). Whether you are just starting your higher education journey or retuning to it after a hiatus, ISHSA encourages you to apply!

August 1st is also the LAST day to get rule proposals, class changes, anything related to the rule book for next year into the rules committee. They can be sent anytime between now and then. Please send them to john@johnlindley.net. Once the rules committee goes through them and they are gone through by the executive committee, they will be but on the ballot for the general membership to vote on.

We are starting to plan for our 2021 banquet which we plan on having in December. We are looking for locations that can accommodate 100 people and are pocket book friendly. Please send suggestions/ideas to jamecevincent85@gmail.com or sixtyfourstrides@yahoo.com.

Hope to see everyone at the next show!

Patricia Schuster
